Special edition

## The Five Messages

- Show racism the red card
- Give bullying the boot
- Kick drugs into touch
- You'll never walk alone
- More important than being a good footballer is being a good person

## Assembly on football makes school aware of racism

By Lee Predergast

On Monday morning Bill Bygroves and some of the Liverpool coaches and reserve players came to talk to us.

Bill has his gui-

• Five messages from members of Liverpool Football Club's coaching team to Friary pupils at their school assembly

tar and started to sing a song,

Bill then gave us five important messages, they were show racism the red card, give bullying the boot, more important than being a good footballer is being a good person and you'll never walk alone.

They did a role play with monkeys, about the colour of their skin this was a message about racism.

The we got to hold the F.A. UEFA and the Worthington cups.

• Bill Bygrove, Hope students and Life Zone Director, Andy Houldsworth show the glittering prizes from LFC trophy room

## Schools drama dance against racism

by Tom Eye

Sarah explained what we had to do. She told us to explore all the different ways footballs move.

We worked with a partner we had to make a dance using football moves. I worked with Burkey and we did keep ups and skids, we watched everybody dance but ours was the best.

After break we got into our teams, we had to do a piece of drama. Our drama was about racism, Jonsey and Ashley were skitting me, my friends came and chased them away then we all made friends.

Our message was it doesn't matter what colour you are, everyone should be treated the same way.

• Liverpool coaches help pupils to kick out racism in their school assembly held recently

## What is it all about ?

• Friary School has seen all lessons delivered through football and fun.

• Students received training from Bill Bygroves of Liverpool Football Club.

• Bill delivered a citizenship assembly highlighting five important message.

• Hope students combined their teaching specialisms and delivered exciting, literacy, numeracy, ICT, art, dance and football coaching lessons supporting the five key message.

• Children signposted towards local football team Millers F.C. for out of school hours activity.

• Hope student teachers, Kate Crowler, Jo Nodder, Sarah Staniforth and Lyndsey Newcombe alongside senior lecturer John Patterson ensure Friary students 'never walk alone'.

## The Friary School

has been part of a pilot project delivering learning through excellence and enjoyment. A partnership activity between Liverpool F.C., Merseyside Police, Hope University College, Life EAZ. Check out the action in [www.schoolsinteractive.co.uk](http://www.schoolsinteractive.co.uk)

## Magic Music Day @ The Friary

By Liam Jones

Carl, Chris and Peter came in to introduce themselves and started to say hello in all different languages.

• Carl Finnan explains to Friary pupils how they can compose a rap against anti social behaviour

After that we chose a style of a song, and won it by six votes. Then we were put into our teams and helped to write about antisocial behaviour.

Then Carl used our words to make a rap, Chris and Peter composed the music. We all rehearsed the song and then had to sing into a 'mike' to record the song.

At the end Chris put the music and singing together and we listened to our song.
